

Jets lacrosse is soliciting support for its select girls' travel teams. The Jets, under the direction of the Southern Maryland Girls Lacrosse League, is the first and premiere lacrosse development program in Southern Maryland.

Jets membership is merit-based, earned competitively through team tryouts, which underscores the level of skill, talent and commitment required of our players. Jets squads travel hundreds of miles across our region to participate in elite tournaments, several of which also serve as national recruiting showcases for university athletic programs.

The Jets philosophy closely mirrors that of the finest American organizations. Team principles embody the central ideals of personal excellence, healthy lifestyles, teamwork, responsibility and accountability. The Jets rely on devotion to the craft, can-do attitudes and, above all, passion. Our girls learn that real success in life demands desire, dedication, and perseverance.

Our affiliations with local businesses and working professionals provide win-win partnerships, complementing assured community youth participation with credible non-profit sponsorship exposure. Jets contributions are used to offset tournament fees, uniform fees, and shared team equipment costs. Also, the Jets are committed to providing scholarship aid to young athletes with qualified financial need who demonstrate athletic competence and exhibit our core character traits.

The Jets are a non-profit enterprise, and as such maintain a tax-exempt classification. Contributions to the Jets are fully tax-deductible. Jets sponsorship packages are offered at three levels, each providing a unique level of involvement and visibility.

Silver Sponsors, for a donation of \$250 or more, are recognized on the Jets' own internet home page, www.jetslax.com.

Gold Sponsors, for a donation of \$500 or more, are recognized on the Jets' home page and also in the Jets' attractive recruiting brochure, 150 printed handouts distributed during our invitational tournaments to college coaches across the country.

Platinum Sponsors, for a donation of \$1,000 or more, are recognized on the Jets' home page and recruiting brochures, as well as on the Jets' Club Banner, which is displayed prominently at each of the twelve tournaments scheduled for the season.

The primary purpose of the Jets is to afford young ladies an opportunity to experience the fulfillment and enrichment of elite athletic competition. Community sponsorship is crucial to ensuring that our area's junior high and high school girls are afforded a realistic, competitive opportunity to participate at the highest levels of this prominent American sport.

To arrange a contribution, please contact Sony Gassie at (301) 997-1473 and opus@md.metrocast.net or Carson Carroll at (301) 475-1815 and trudyncarson@earthlink.net. Go Jets!
